

Heavy Duty Lifting Levelers

Set of 4

Easily level the heaviest cabinets.

Each set (4 pc) has
load bearing
capacity of 400 lbs.

The bottom lip
carries the weight
of the cabinet.

Minimum installation height is 3".

Includes 4 levelers and
hex adjustment wrench.

Heavy Duty Lifting Levelers SPECIFICATIONS

Part #	UPC	Min Qty	Case Qty
14108	885732141081	1 set	100 sets

Note: The manufacturer states the weight capacity of these legs are 600 lbs (which is a lot of weight). Even though this is the manufacturer's endorsement, we recommend the load bearing capacity of 400 lbs per 4 piece set.
