

Sleeveless Sanding Drum Set

Never buy sanding sleeves again! Make your own sleeves from heavy paper or cloth backed abrasives.

Includes arbor adapters for use with a hand drill or drill press. By removing the arbor, drums can be mounted directly on any motor with 1/2 inch shaft. Four pieces of replacement paper included.

All four drums are 3 inches long. Drum diameters included are 1, 2, 2-1/2 and 3 inches.

All pieces fit snugly into their own compartment in this attractive wooden case.

Wooden case measures 12" x 6" x 4" tall
